REVIEWS

WINEENTHUSIAST 92 Points

What a treat! Smoky, moist loam, coffee grounds, dried plum, anise, tobacco—a fully mature, complex and detailed wine at its peak. The veins of flavor keep coming through, adding dried leaves, saffras and more, as it weaves through the finish.

WORLD WINE CHAMPIONSHIPS 85 Points - Silver Medal "Highly Recommended"

Aromas of chocolate covered raisins, figs...with good depth and a tart berry, piney herb, and clay accented finish with firm, powdery tannins.

WINE PRESS NORTHWEST Recommended

Shows very little age but plenty of power and true Cab character. There's a theme of black cherries, hibiscus, violets, green bean and cigar tobacco with a fascinating finish of Heath Bar ice cream.
