REVIEWS

WINEENTHUSIAST

90 Points

This elegant Cabernet Sauvignon sets out a smorgasbord of flavors: plum, cassis, smoke, loam, a hint of the barnyard. It's nicely balanced, with polished but astringent tannins that carry the flavors into a lingering finish.

Recommended

Strawberry fruit leather, canned pie cherries, bramble berries, Italian seasoning and menthol tones are found within a structure of sturdy tannins and food-friendly tartness.
