### REVIEWS

#### WINEENTHUSIAST

**90 Points - Best Buy!**

Big and concentrated, this is a huge mouthful of really tasty juice. Peach, pineapple and soft tropical flavors combine in a ripe and luscious wine, which puts the fruit well ahead of the butter and toast.

#### WORLD WINE CHAMPIONSHIPS

**86 Points - Silver Medal - Best Buy!**

*"Highly Recommended"*

Aromas of melon, baked peach...with tangy green apple and pineapple core notes. Finishes with brisk, tart citrus peel fade.

#### WINE PRESS NORTHWEST

**Excellent - Best Buy!**

Approachable aromas of starfruit, bright pear, green apple...Pears and apples continue in a nice crispness on the palate, where lemony acidity gives it length into a steely finish."
