Production:                      300 Cases

### REVIEWS

#### WINEENTHUSIAST

**91 Points - Best Buy!**

Beautifully concentrated and textural, this Viognier mixes melon, white peach, nectarine and lemon fruit with pleasing minerality.

#### WINE PRESS NORTH WEST

**Excellent - Best Buy!**

Notes of clementines, papaya, white peach, starfruit and alyssum. There's more orchard fruit...on the easy-drinking palate with Granny Smith apple, pears and lemon meringue pie, capped by good crispness.

#### Northwest palate magazine

**Recommended**

Fresh scents of dried mint and freesia blossoms make the nose inviting. Bright in the mouth and full of lime and green apple flavors, the fruit is rich and focused, though the texture is lithe and lean.
